

Sonbeams April 2018

Mon	Tue	Wed	Thu	Fri
<p>2 Spring is when plants, leaves and flowers grow.</p>	<p>3 Seeds are planted in the dirt. They need air, water and sun.</p> 	<p>4 Seeds take time to grow.</p> 	<p>5 Wind helps blow seeds to the dirt.</p> 	<p>6 Rain comes in springtime. Make a rainbow.</p> 
<p>9 Let's plant a lima bean seed in the dirt.</p> 	<p>10 We can see more bugs in the spring.</p> 	<p>11 Create a ladybug.</p>	<p>12 Let's pretend to be a plant that grows.</p> 	<p>13 Sensory play: Bugs, soil, and natural items.</p>
<p>16 Let's check our lima beans.</p>	<p>17 Butterflies have beautiful colors on their wings.</p> 	<p>18 Some bees make honey. Let's try some!</p> 	<p>19 Caterpillars grow and change into butterflies.</p>	<p>20 Make a book about how seeds grow.</p> 
<p>23 Trees begin to grow their leaves again.</p>	<p>24 Create a leafy tree.</p> 	<p>25 Birds build nests in trees.</p> 	<p>26 Let's make a paper bird nest.</p>	<p>27 The animals that were hibernating in winter wake up in the Spring.</p>
<p>30 Counting creatures.</p>	<p>John 3:16 (The message)</p> <p>“This is how much God loved the world: He gave His one and only Son. And this is why: So that no one need be destroyed. By believing in Him, anyone can have a whole and lasting life.”</p>
